Our History

The Greenvale Park Community School provides free, out-of-school time programming for students and families. Breakfast Buddies eat breakfast with Greenvale Park students once a week, talking with them about their upcoming day, playing games or helping with homework. The Greenvale Park PLUS program and other clubs are hosted after school for students, and on Tuesday and Thursday nights we host activities for the whole family. Please scroll down for our calendar of events, activities and volunteer opportunities.

I have no idea what an annual report looks like, is it a block of text? Should there be a link to download a PDF of it or something like that?

Could make it so whole day is clickable rather than buttons?

Could update based on connection to google calendar, which would be ideal!

Select a day to see events offered on that day

Ask Greenvale/users in testing about this empty space (or see how they respond to it)
